Details of Exchange Operating Expenses not available for the year 1926.

During the first three months of 1926, this Exchange was operated as a branch office of Les Artistes Associes, S. A. The United Artists Corporation then purchased this Exchange and operated it as a branch out of New York, for a period of six months. The Income and Expenses during this period are included with Continental Europe in Schedule #6. After that time, it was necessary to incorporate this Branch and therefore, the above figures for 1926 represent the operations for the three months period as an incorporated Company.
